## **WOMEN NYC HALF**

**THE ALL FEMALE HALF MARATHON!**

**April 26-29, 2024.**

**Does the definition "female solidarity" mean anything to you?**

For ages, the female spirit has been distinguished by sensitivity, solidarity, and support.

Women's friendships are proverbial, capable of withstanding any blow from life.

And so, this race brings together women from all over the world for a day of fun, fitness, and friendship in Central Park, the heart of New York.

For each participant: a New Balance t-shirt in memory of the event.

For each Half Marathon finisher: the medal

Hi Runners!

I'm flying to New York to run the **WOMEN'S HALF** with you! I can't wait to return to my beloved city and run with thousands of women in the heart of Central Park! There's no better way to celebrate ourselves: **we women are incredibly strong!**

For those of you who don't know me, I'm Lisa Migliorini, known as The Fashion Jogger on social media. I've been a competitive runner since I was a child, specializing in long distances over the years. I made my marathon debut with Born2Run right here in NYC last year, and **it was an unforgettable day!**

I motivate my community daily by sharing injury prevention tips, my training sessions, and my races around the world. It's always wonderful to meet my followers at races, and it will be even more beautiful to start together and share this amazing race! My dear runners, **I'll be waiting for you in New York to run together, have fun, and explore the city!** Of course, friends, boyfriends, husbands, and children are welcome too... to run together in the days before the race and cheer each other on!!

**TRIPLE AND QUADRUPLE ROOMS:** It's important to know that in the U.S.A., triple (with 3 beds) or quadruple (with 4 beds) rooms do not exist! Therefore, for a triple or quadruple room, it means the use of a room with two queen-size beds, for three or four people (not recommended for 4 adults).

**RACE BIB :** International Tour Operators (ITO) are not authorized to sell bibs without including tourist services in the package. In case of cancellation, the bib is non-refundable and non-transferable (for any reason), even if the race is canceled by the NYRR Organization due to force majeure (such as health, political, climatic reasons, or others).

You will receive an email from the organization – NYRR – inviting you to register for the race (further information will follow).

B2R has no influence on the assignment of the bib number, wave, and starting grid, which is entirely at the discretion of the Organization.

Marathon registration is done online and must be completed individually by each runner; B2R can assist you in this process but cannot complete it on your behalf.

**TRAVEL PACKAGE MODIFICATION:** Any modification related to the "original travel package" (name, departure and return dates, departure airport, room, etc.) will incur a fixed cost of at least €80 per transaction. No changes can be made within 30 days before departure.

**TRAVEL INSURANCE:** We strongly recommend obtaining travel health insurance valid in the USA. Medical coverage is not included in the package for non-Italian citizens.
